

# STRAIGHT FORWARD

THE TRUTH ABOUT ADDICTION

WISEYE.ORG

## ALL DISTRICT PARENT PRESENTATION

**Wednesday, November 8, 2017**

**Mukwonago High School Library**

**7:00 pm**

Join us for the first of three events to create a community conversation about addiction.

This 75-minute event will focus on a viewing of the WisconsinEye documentary titled "Straight Forward: The Truth About Addiction." This program is based on in-depth interviews with young Wisconsinites fighting to recover their lives and futures from addiction.

After the documentary, a panel discussion will be held with school district staff and community members to share resources available to families.

Parents are invited to attend with students age 12 and older.

Free childcare will be available for students under 12.

**Two other events are being planned for families to learn more. Mark your calendars!**
