

Social Studies Study Guide
Grade Two
Unit 4- Needs and Wants

Big Idea: How do we get the things we need and want?

Vocabulary: (see glossary)

needs	shelter	wants	scarce
save	technology	goods	factory
trade	consumer	producer	flow chart
volunteer			

Things to know:

- Goods that can be made in a factory.
- Goods that can be grown.
- Ways goods get to stores.
- How to read and follow a flow chart.

Students will be able to:

- Follow a route on a map and locate places on a map.
- Explain the difference between a producer and consumer.
- Write about a way they can volunteer at school or in the community.
