These are all appropriate dresses for the 8th grade dance since the young ladies are covered from the bust line to mid-thigh in the front and natural waist to mid-thigh in the back.

These are all appropriate outfits for the 8th grade dance.

These are all inappropriate for the listed reasons

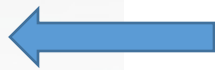

Tank tops typically are worn as undershirts.

The exposed back occurs below the natural waistline.

The midriff area is exposed.

Vests are very trendy, but a shirt with sleeves must be worn underneath.

The slit extends too far up the leg.

Undergarments are exposed.
