

Student Representative Report for June 22, 2015

MUKWONAGO HIGH SCHOOL

- HOSA (Health Occupations Students of America) will be heading to Nationals on June 23rd through the 27th. Qualifiers are Senior Graduates Kristin Bulanek and Jessica Wanta.

PARK VIEW MIDDLE SCHOOL

- On Friday, May 29th, 52 students and staff from Park View participated in our first Walk for Water. The event was hosted by Ecology Club who worked tirelessly all year to prepare for this big event. Walkers signed up and asked for pledges to help build a clean water well in Dokolo, Uganda. They then set a goal for how many laps they wanted to complete in a two hour time limit, all while carrying a gallon of water to symbolize the walk many African children take each day to get clean water. Together, our walkers surpassed our original goal of \$2000 and were able to collect just over \$3000 in donations.

BIG BEND ELEMENTARY

- There was a 4th-6th grade Band and Orchestra Concert on Tuesday, May 12, 2015. The band musicians were conducted by Angela Hudy and the orchestra students were led by Roxanne Carloni.
- Kiwanis Representatives selected three sixth-grade students as Big Bend's "Kiwanis Students of the Year": Alex F., Brittney T. and Taylor W.
- On May 22 there was a "Sports Day" for 4th, 5th, and 6th grade students. The three grades have inter-class sports competitions to promote physical activity and celebrate the end of the year (and the weather)!
- On May 27th, Ronald McDonald returned to Big Bend for a school assembly on the topic "Go Active with Ronald McDonald". There have been several presentations on various topics by Ronald McDonald and the students have truly enjoyed them.

INTERSCHOOL ACTIVITIES

- On Monday, June 8 PVMS and MHS Fine Arts Faculty members met with band, drama, orchestra and choir parents to begin the formation of a Fine Arts Booster organization launching this upcoming school year. The Steering Committee shared ideas about possible mission statements and goals, and also discussed a structure for the governing board. Fine Arts faculty members and parents are looking forward to this opportunity to work together on common goals.
