

# MUKWONAGO ATHLETIC BOOSTER CLUB

August, 2012

Dear MHS Athletics Parent:

As a parent of a high school athlete, you are aware of the ever increasing costs of maintaining a Division 1 level high school athletic program. Every school year, over 700 students participate in at least one sport at MHS, and many participate in as many as three or four sports in a school year. Despite cuts in the athletic budget over the past few years, MHS has been able to maintain the quality of the athletic programs and continue to be competitive in the Classic 8 conference. With recent changes in state funding for school districts, the budget challenges will be even more difficult in the coming years.

Since 2000, the Mukwonago High School Athletic Booster Club has provided over \$300,000 in support of MHS sports. Every team at every level has benefited from this support. Not only have individual sports teams benefited, but the Booster Club has provided equipment and support for the athletic program in general.

The purpose of this letter is to ask you to consider supporting Mukwonago High School athletics by becoming a member of the Mukwonago Athletics Booster Club. As a member you will be playing a significant role in continuing our strong support of the MHS athletic programs.

*For the basic membership fee of only \$40, if you and a guest attend just 5 events (\$40 cost) you will more than cover the cost of the membership, and the entire membership fee goes directly to support MHS athletics programs.*

I look forward to you joining the MHS Booster Club and continuing the strong support of MHS athletics we have been able to provide.

Sincerely,

Jim Kolb, Vice President ([jimkums@aol.com](mailto:jimkums@aol.com)) (cell: 414-881-4049)
