

PARK VIEW ATHLETICS

Welcome to another exciting year at Park View Middle School. We are pleased to offer a variety of athletic opportunities to our middle school students. The objective/mission of middle school athletics is to encourage and allow for participation by students at many levels of competition. Athletics and extra-curricular activities are a valuable part of a student's middle school experience. We hope to teach many values to our students at Park View while they are engaged in the rigors of competition. Some of the values/characteristics coaches will stress while athletes compete in a healthy team environment are:

- Self-discipline
- Competitiveness
- Personal pride
- Sportsmanship
- Teamwork
- Fair play
- Hard work
- Responsibility
- Character
- Integrity

Park View is a member of the Junior Parkland Athletic Conference for both girls' and boys' basketball, volleyball, and track. Other conference members are New Berlin Eisenhower (VB & track), New Berlin West (VB & track), Oconomowoc Nature Hill, Oconomowoc Silver Lake, Pewaukee Asa Clark, Frank Lloyd Wright-West Milwaukee (West Allis-West Milwaukee; BB & VB). Cross country and wrestling have competitions/meets with surrounding school districts, usually within a 30-45 minute drive of Park View. Gymnastics practices at MHS in the fall and competes amongst themselves in an intra-squad atmosphere.

All athletes must have the following items in order to begin practicing or trying out for a specific team:

- 1) Valid physical on file (see Athletic Participation Form)
- 2) There is a \$100 participation fee (one time fee per student) that is due by the first competition date (athletes do not need payment by first practice for teams with limited numbers that potentially have to make cuts)

In addition to having the above forms turned in, athletes must also maintain a 1.8 or higher GPA throughout the course of their season. Failure to do so will result in the athlete being ineligible to compete in games, matches, or meets for a three week period.
