

Mukwonago Area School District

Substitute Health Assistants

Substitutes are needed at schools throughout the district. Candidates with CPR/AED/First Aid training are encouraged to apply.

The District Nurse will provide additional training. The ideal candidate will have flexible availability to fill in morning and afternoons during the school year as needed. A comfort level to manage basic student health concerns and the ability to multi-task is a strength.

For additional information contact Heidi Young, District Nurse 262-363-6292 Ext 27515 or younghe@masd.k12.wi.us
